BRAND PROMISE

Your semester. One clear plan.

The simplest expression of what Kyber gives the student.

CLARITY

Everything in one clear system.

Courses, assignments, deadlines, grades and study time work together.

ADAPTIVE PLANNING

A plan that changes with you.

When the week changes, Kyber helps rebalance the plan instead of making you start over.

OUTCOME

Stay on top of your semester.

See what matters now, what is ahead and how you are progressing.

Built first for students making the jump to university. Useful beyond first year.
